Meet the NLSC

We are a public civilian organization made up of on-call bilingual volunteers, just like you, willing to offer their diverse language skills to help their communities and the government.

We strive to connect service-minded individuals who embrace the power of communication and envision helping their communities while doing a greater human good.

The goal of the NLSC is to provide and maintain a readily available civilian corps of individuals certified in languages determined to be important to the security and welfare of the nation.

The NLSC Pilot Program

As a first-of-its kind organization, the NLSC, authorized by Congress in 2006, signifies a vital new approach to addressing the nation's need for involving people with highly developed language skills. Under our pilot program, we are recruiting diverse volunteers with specialized language skills in Mandarin, Russian, Hindi, Vietnamese, Indonesian, Swahili, Somali, Hausa and Marshallese.

For an up-to-date listing of the NLSC languages, please visit www.nlscorps.org.

There is a greater good, a human good . . . and YOU can help us to honor and serve it.

You can help us grow

NLSC is made up of bilingual volunteers, just like you, and you can help us grow.

Your diverse language skills will facilitate communication between your community and government agencies. When called upon, you will have the opportunity to assist in activities such as health services, logistics and engineering and support your community – both inside and outside the United States.

You can also contribute by sharing this information with your family and friends.

Get involved and enhance your skills

Your role in the NLSC will include assisting federal, state, and local agencies by improving cross-cultural communication. While receiving additional training, certification and skill enhancement, you will have the opportunity to become a part of a service-oriented network of like-minded volunteers. If called upon during the pilot program, you will receive compensation for your service.

Some requirements that you need to meet

To become a Charter Member you will need to be a U.S. Citizen, 18 years or older, fluent in both your native language and English, and have a strong motivation to help your fellow citizens throughout the nation and world. Males are required to have met their Selective Service obligations.

This is your opportunity!

Become a Charter Member. Visit us at www.nlscorps.org to find out more.
